EVERY STORE

should appear in the Directory and the Directory should be
in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for.
The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy
they will find elsewhere.

This City Directory is placed on file in various Directory Libraries maintained by the publishers throughout the United States.

YOUR CITY DIRECTORY IS STANDARDIZED

Be it Kalamazoo or Baraboo, information arrangement is uniform. Sixteen gauge wire is identically the same size in Boston or Bellingham, railroad tracks are the same width in Connecticut and California; shoe sizes are standard whether made in Brockton or Stockton, and so on, ad infinitum.

In line with the economic trend to standardize all generally used products, THE ASSOCIATION OF NORTH AMERICAN DIRECTORY PUBLISHERS has decided to make, and is now making, all city directories published by Association members conform to certain standards in regard to make-up, compilation and classified business headings which will simplify and facilitate their use.

A Call Was Left For You
Whose Telephone Number Is It?
The Answer Is in the Numerical Telephone Guide
of This Directory

DR. JOHNSON, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

NEW CUSTOMERS must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.
